AIR FORCE PAMPHLET NO. 36–1–1

DEPARTMENT OF THE AIR FORCE
WASHINGTON, 1 JANUARY 1966

University of Florida 1853

# FOREWORD

1. The Register of the United States Air Force is authorized by section 122 of title 10, United States Code. It is published to provide an official reference for use by Air Force activities, other Government agencies, and the general public.

2. Volume I of the Register contains the Active Lists and Volume II the Retired Lists.

3. The source of data for Volume I of the 1966 Air Force Register is the Uniform Officer Record (UOR). The information contained in the UOR is stored, retrieved, and updated electronically by means of the Personnel Data System—Officer. The basic information for each officer listed is also reflected in field personnel records and in punch cards maintained within the Central Base Personnel Office. Each active duty officer whose name appears in Volume I can verify his entry at base level, and his personnel officer can take action to correct errors and omissions. Retired officers whose names appear in Volume II may report errors or omissions to Hq USAF (AFPMAJB6), Randolph AFB, Texas, 78148.

4. This is the first year the Active Lists have been prepared from the UOR. Comments are solicited from users regarding both the format and contents of the Register. Suggestions pertaining to content should be limited to items of data which are in the UOR. Comments should be forwarded before 1 July 1966 to Hq USAF (AFPMAJB6) for review.
